*"A greater say for Europeans*

*I want Europeans to build the future of our Union. They should play a leading and active part in setting our priorities and our level of ambition. I want citizens to have their say at a Conference on the Future of Europe, to start in 2020 and run for two years.*

*The Conference should bring together citizens, including a significant role for young people, civil society and European institutions as equal partners. The Conference should be well prepared with a clear scope and clear objectives, agreed between the Parliament, the Council and the Commission.*

*I am ready to follow up on what is agreed, including by legislative action if appropriate. I am also open to Treaty change. Should there be a Member of the European Parliament put forward to chair the Conference, I will fully support this idea."*
